Crystal Highlands Junior Golf League

About: The Crystal Highlands Junior Golf League is designed to give high school aged players a chance to compete against similar competition during the summer months. Play will occur every Wednesday in June and July, starting at 10. Players will not be required to participate each week, but doing so will improve their standings for the League Championship.

Divisions: The league will have a boys division and a girls division.

Eligibility: Players must be in high school, or entering their freshman year of high school. No high school graduates.

Format: Weeks 1-7 will be 9-Hole individual stroke play. Points will be awarded based on end results. Week 8 will be the League Championship, where the points accumulated will earn players “starting strokes” towards their stroke play 9-Hole Championship score.

Awards: 1st – 3rd Place overall awards for each division.

Play-off Procedure: Ties will not be broken between Weeks 1-7. In the event of a tie in the League Championship, play-off holes will be played until a winner is determined. If weather or other issues prevent play-off holes from being played, the winner will be determined using a scorecard play-off.

Scorecards: Players must report to the scoring table before their round to receive their scorecards, identify their golf balls, and exchange scorecards. Players must report to the scoring table after their round to sign and return scorecards. If there are any scoring/rules discrepancies, these will be resolved at this time.

Rules

- Boys will play from the white tees. Girls will play from the red tees.
- Maximum 10 stroke limit on each hole.
- The ball will be played down through the green.
- The local out of bounds rule is in effect. You may take relief laterally from where the ball came to rest out of bounds up to two club lengths in the fairway. This option comes with a 2-stroke penalty.
- Cell phones are prohibited during the round (unless in emergencies).
- A player may use a distance-measuring device to measure distance only, not wind or slope. Distances are marked on sprinkler heads throughout the fairway, to the center of the green.
- If a rules issue should arise and you are not sure how to proceed, play two balls and record both scores. We will determine the appropriate score at the scoring table after the round.
